

10 November 2019

This is to inform the community that the Ateneo Employees and Workers Union (AEWU) filed for preventive mediation with DOLE last October 17, 2019. Since then, conciliation/mediation meetings have been held at the DOLE office in Intramuros with DOLE officials.

The AEWU has released a statement regarding their proposal and the administration issued its own memo as well on 24 October 2019. For easier understanding, we are releasing this infographic (<http://www.ateneo.edu/news/updates-cba-negotiations>) and will be addressing stakeholders in various meetings henceforth.

We continue to ask the community for their patience, support and prayers.
