ONLINE APPLICATION FOR
GRADE 11, SCHOOL YEAR 2020-2021
ATENEO DE MANILA SENIOR HIGH SCHOOL

These instructions are very detailed. Please download/print all the instructions then refer to the instructions per step as you go through that particular step.

For details on eligibility please see https://www.ateneo.edu/high-school/admissions

STEP 1: Create an account in the online system and generate a payment reference number.

Create an Account
(1) Access the login page https://ateneo.edusuite.asia/login
(2) Click the portion labelled “Don’t have an account? Sign up.” (3) When the screen with the heading “Create account” is displayed, enter applicant’s name (not the parent’s name) (4) enter the applicant’s active personal email address (5) choose “I am applying for Senior High School” (6) read and tick the box to agree with Ateneo’s data use policy (7) Click Submit. (8) Applicant must open the email that will be sent to the email address he/she entered in the system and click the activate account button (found in the email) (9) Applicant will be redirected to a screen entitled “Activate your account” and he/she has to set his/her password (10) click activate button (11) in the pop-up that the “account is successfully created,” click “ok” (12) applicant will be redirected to the login page (13) enter the applicant’s email and the password he/she created and choose “Senior High School” then click login.

Generate a Payment Reference Number
(1) Upon login, click “My Registration” on the left panel (2) Click “Apply Now” (3) Read the application checklist and click “Apply” (4) Fill up the details for the initial registration – do this carefully, taking care to check that the name is entered completely and exactly the same as what is written in the applicant’s birth certificate (5) click “Submit” (6) you will be directed to the “payable” page displaying a box that indicates the applicant’s unique payment reference number—a 9-digit number that begins with “450.” (If the applicant’s reference number begins with “350,” it means that he/she has mistakenly created an application account for Grade 7.)

STEP 2: Pay the application and testing fee of Php 750.

♦ The applicant should take a picture or a screenshot of the box that displays the reference number. He/She should bring this picture (printed or displayed in a device) when he/she pays the application fee.
♦ The applicant or the applicant’s representative may choose from three modes of payment (1) Ateneo de Manila High School Cashier’s office (2) Over the counter in any BPI Branch (3) Over the counter in any Metrobank branch.
♦ If the applicant lives near ADMU, payment through the Ateneo de Manila High School Cashier is the simplest, and fastest mode of payment. Please present the screenshot of the box that displays the applicant’s name and unique payment reference number. Pay (in cash only) the fee of P750 and wait for your receipt.
The cashier’s office is open from 7:15 am to 3:15 pm, M-F only.
♦ Detailed instructions for over-the-counter payment at BPI and Metrobank are found on pp 4-6 of this document. If the applicant opts for OTC payment, he/she must make sure that he/she or his/her representative brings a copy of the instructions to the bank and follows them carefully. Problems arise if the applicant does not follow instructions.
♦ If the applicant paid either through BPI or Metrobank, he/she should upload a picture of the validated payment slip in his/her application account (Alternatively he/she may send a picture of the payment slip to shsinquries.hs@ateneo.edu along with the full name and payment reference number of the applicant.) This will help ensure that Ateneo can attribute each payment forwarded by BPI or Metrobank to the specific applicant.
♦ The applicant’s status in the system should change to “draft” around 3 working days after payment. If the applicant remains in the “for payment” status beyond 3 working days, the applicant should call 8426-6001 loc 6292.
STEP 3: Fill up the online application form [“Draft” status].

(1) Click “My Registration” on the left panel (2) Click “View” (3) Click the “Edit” button on the top right portion of the page

(4) Send the request for recommendation
(a) In the screen entitled “Recommendation Form” enter the full name, position, contact number and correct email address of 2 recommenders. In choosing the recommenders, the applicant should –
• select teachers, counselors or administrators in his/her present school particularly the ones who know the applicant well;
• ask these recommenders if they are willing to fill up a recommendation form for the applicant and, if yes, ask for a working email address of the recommender and a contact number (landline and local number of the school or a mobile number);
• inform the recommenders that a recommendation form (google form) will be sent to them via their email address, which they will fill up online. When the recommender clicks the “submit” button at the end of the form, it will be sent to Ateneo’s online application system.
(b) The applicant should ensure that he/she enters the correct email address of each recommender. Entering the wrong email address will cause the email to bounce or be sent to the wrong recipient.
(c) Entering the details of the recommenders and their correct, working email addresses and then clicking “proceed” will trigger the sending of the google recommendation form to the recommender.
(d) The applicant must NOT choose parents, relatives and friends as their recommenders. Recommendations from these people will not be considered.
(e) The applicant must NOT enter his/her own name/email addresses nor those of parents, relatives or friends in the fields in this section. Doing this will cause problems and delays later on: the applicant will not be able to move past Step 6 and will be asked to go back to this step and accomplish it correctly.

(5) Fill up the Application Form
The applicant should fill up all the different fields in the form with correct information and click “next” at the end of each page.
• The LRN (Learner Reference Number) is a 12-digit number assigned by the DepEd to each student throughout Basic Ed in the Philippines. It is sometimes indicated in the report card. If it is not, the applicant should ask the registrar of his/her school for his/her LRN.

(6) Upload the required documents
The applicant must upload the following-
• A PDF copy of the applicant’s most updated Grade 10, report card.
• A PDF copy of the applicant’s birth certificate - Philippine Statistics Authority (PSA) or National Statistics Office (NSO) copy.
If the applicant is NOT a Filipino citizen: a PDF copy of the applicant’s Alien Certificate of Registration (ACR) and Special Study Permit issued by the Bureau of Immigration.
If the applicant has dual citizenship: a PDF copy of the applicant’s Philippine Passport or Certificate of Recognition as a Filipino Citizen
• An image file (PNG, JPG/JPEG) of a recent 1 x 1 picture of the applicant. The picture must be colored with a white background and show the applicants head up to the shoulders. The size of the picture file must not exceed 500 kb
• A PDF copy of the applicant’s autobiography, which must be typewritten, A4 page size, 1-2 pages only, using any readable font. The autobiography should touch on the following points: interests, ambitions, accomplishments, and the reasons that the applicant desires a senior high school education at the Ateneo de Manila University.

STEP 4: Submit the filled-up form online (by clicking “Submit”) and wait for Ateneo’s checkers/reviewers to check the completeness of the form [“For Review” status]. Ateneo’s checkers will either return the form online [“Return to Applicant” status] or move the form to the “For Recommendation” status.

STEP 5: If the application is in the “Return to Applicant” status, edit the form according to the comments of the checkers/reviewers and re-submit the form.

Click “Edit” and then look at the comments of the checkers in the discussion panel on the right side (make sure to view ALL comments by scrolling down). According to the comments of the checkers, edit the content of the application form. Do not put the corrections in the discussion panel, but rather in the application form. If it is necessary to explain something to the checker or ask the checker a question, the applicant may enter a message in the discussion panel.

Don’t forget to click “Submit” at the very end or else the application will not be re-submitted for checking, and it will remain in the “return to applicant” status. Note that Ateneo cannot act on an application if it is in the “return to applicant” status. In this stage, only the applicant can move the application forward.
STEP 6: Follow up if the teacher-recommenders have sent their google recommendation forms [“For Recommendation” status] until Ateneo’s checkers/reviewers receive these online recommendation forms.

Click “Recommendation Letter” in the left panel and check the status of each recommendation:
SENT = Ateneo’s online system sent the recommendation form to the email address of the recommender (as entered by the applicant)
ACKNOWLEDGED = The recommender opened Ateneo’s email containing the recommendation form. This does NOT necessarily mean that the recommender answered the form or that he/she submitted it to Ateneo’s online system.
RECEIVED = Ateneo’s online checkers received and read the recommendation form and have marked it as “received”

If the recommendation has not yet been RECEIVED by Ateneo, the applicant may (1) click the resend button to resend the request for recommendation, (2) talk to the recommender and follow up the recommendation, (3) click “add” and enter the details and email address of (a) new recommender(s) and click “proceed” to trigger the sending of the request for recommendation to the new recommender(s).

STEP 7: Click “Mange Exam Schedule” then “add schedule” then click on the March 14 testing schedule in the online system in order to trigger the sending of the test permit to the applicant’s email address [“For Examination” status]. The applicant must then print the exam permit in color, on white A4 bond paper, landscape orientation.

General Reminders:
• Kindly note that the online application process is not complete until the applicant receives his exam permit.
• Also note that the online process cannot be completed in a single day.
• It will take 2-3 working days for payment to be reflected in the system due to the necessary processes that the bank and cashier have to execute.
• It may take 1 working day for the checker to check the requirements.
• It may take days for the recommenders to fill up the recommendation form and send it to Ateneo’s online system
