THE STORY

ONCE UPON A TIME,

in Kansas, Dorothy tries to run
away in search of a better life.

THE STORY

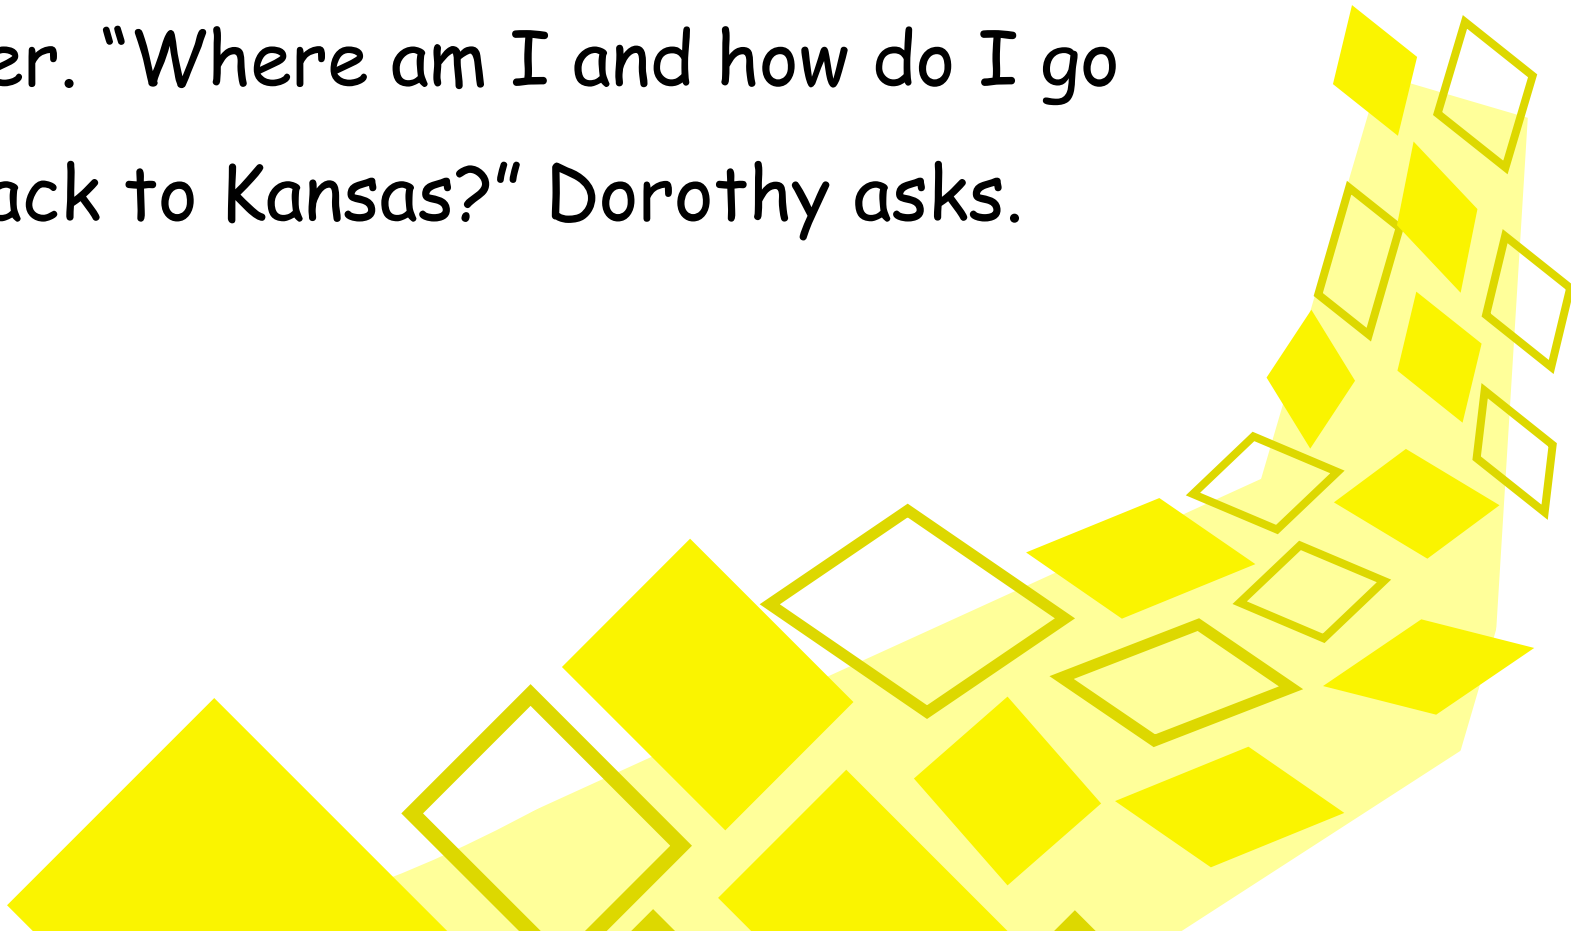

But her search stops short when a Tornado finds her instead and brings Dorothy to the Magical Land of SOM.

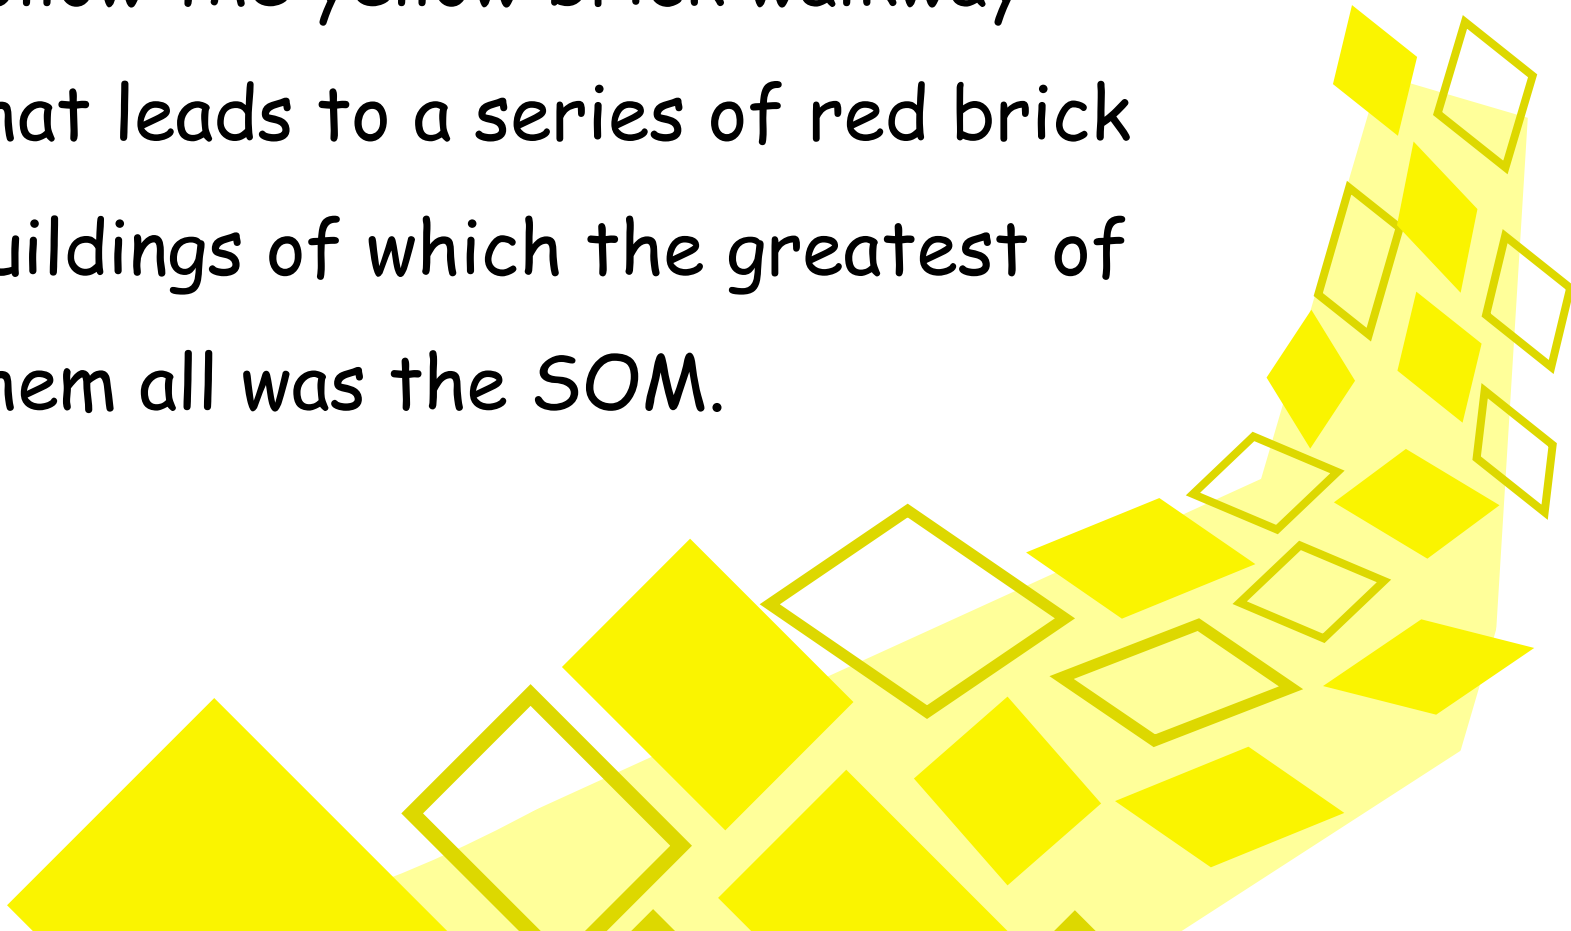

The Land of SOM is strange
yet beautiful. Though majestic,
Dorothy felt worried and
wanted to go back to Kansas.

Suddenly, a cute fellow dressed in very conservative clothing welcomes her. "Where am I and how do I go back to Kansas?" Dorothy asks.

Apparently, the fellow was a Munchkin, and Dorothy had to follow the yellow brick walkway that leads to a series of red brick buildings of which the greatest of them all was the SOM.

Dorothy had to admit she was
scared but there was
something wonderful about
SOM that she couldn't explain.
So she decided to follow the
Munchkin's advice.
