

MASTER of ARTS in EDUCATION **major in EDUCATIONAL ADMINISTRATION**

This program prepares current and prospective school leaders to meet the professional demands of educational leadership. Graduate coursework develops competencies related to effective leadership and educational management practices, as well as allows students to explore the theoretical and practical aspects of curriculum development, teaching and learning, and the supervision of instruction. Exposure to research about current realities, emerging trends, and issues in various aspects of educational administration ensures their continuing growth and effectiveness as school leaders. Students are prepared to conduct scholarly research that will address relevant issues in their own school setting.
