Date : 20 May 2022

Memo to : The University Community

From : (sgd.) Rodolfo P Ang
Vice President

Subject : Office-in-Charge, Information Technology Resource Management
Office (ITRMO)

Please be informed that Ms. Sandra Francesca A. Lovenia will be ending her term as Director of the Information Technology Resource Management Office (ITRMO) on 31 May 2022, and will be returning to the Loyola Schools as a full-time faculty member of the Department of Information Systems and Computer Science effective 1 June 2022.

Mr Christopher Glenn Año, Asst. Director of ITRMO, will serve as its Officer-in-Charge until a new Director is appointed.

On behalf of the University, I would like to thank Sandra for her many contributions to the university as Director of the ITRMO for the past 12 years. The last two years, in particular, have been especially challenging for our IT team, and her dedicated service and leadership have been invaluable in helping our university community to transition to e-learning and on line operations in a relatively short period of time.

All IT concerns and needs will continue to be serviced by the team under Glenn's leadership, and you can continue to reach them at <itrmo@ateneo.edu>. We would also like to take this opportunity to thank Glenn for accepting these additional responsibilities at this time.

Thank you.
