Kindly make the list available to your faculty members and students for their guidance.

Moreover, we regret to inform you that the URC has disapproved of broad categories like "Philippine HEI publishers" or "indices" included in the proposed list. The list has to specify the journals and publishers to help our faculty and students in deciding where to publish their works.

It is recommended that SOSE review the list annually, and a revised list may be submitted to the URC by 30 June of every year.

Thank you for your attention.

If you have any questions, please do not hesitate to email us at urc@ateneo.edu.

Sincerely,
