

Study Grant for Bahasa Indonesia

The Ateneo Center for Asian Studies (ACAS) in cooperation with the Indonesian Embassy offers a Study Grant to students admitted to its Bahasa Indonesia language courses. The grant covers the course fee. It does not cover miscellaneous fees such as costs of books or printouts of instructional materials, when applicable, and a certification of completion issued by ACAS.

The responsibilities of a grantee and the conditions of the Study Grant are as follows:

- 1) Regular attendance of classes and active participation in class activities. These will be monitored through recordings of class sessions or other means. Up to three unexcused absences will be allowed; otherwise the student will be removed from the class.
- 2) Observance of class policies that involve, among others, intellectual honesty, privacy of data shared and collected during class, and copyright rules applying to instructional materials.
- 3) A student who has been removed from class due to unexcused absences and poor performance (such as: failure to take quizzes or take part in similar activities) will be
 - a) disqualified from similar ACAS programs in the future;
 - b) charged 50% of the course fee of PHP 2,500 (reduced rate).

To apply for the Study Grant, please submit a letter of application indicating

- 1) the relevance of the language course to your professional and personal interests, and
- 2) acceptance of the terms and conditions of the grant.

Please email the letter on or before the close of the registration period to:
