

13 August 2019

This is to update the community on the current progress of the CBA negotiations. As of July 25, 2019, both panels agreed to the Ground Rules that will govern negotiations. In the next few meetings, both panels will be spending time to explain the rationale and justifications for their respective proposals. We continue to call on the community to keep us in your prayers.

Thank you.

Fr. Jose Ma. Francisco, SJ
Chair
